1. Welcome to TechCorp

Dear Team Member,

Welcome to TechCorp! We are thrilled to have you join our innovative and dynamic team. At TechCorp, we believe that our employees are our greatest asset, and we are committed to creating an environment where you can thrive both professionally and personally.

This employee handbook has been designed to help you understand our company culture, policies, and the benefits available to you as a valued member of our team. We encourage you to read through this handbook carefully and refer to it whenever you have questions about our workplace policies and procedures.

At TechCorp, we foster a culture of innovation, collaboration, and continuous learning. We value diversity, encourage open communication, and support work-life balance. Whether you're working from our office or remotely, you are an integral part of our mission to deliver cutting-edge technology solutions that make a difference in the world.

We look forward to supporting your growth and success at TechCorp. If you have any questions or need assistance, please don't hesitate to reach out to your manager or our Human Resources team.

Once again, welcome to the team!

The TechCorp Leadership Team

2. Company Overview

Our Mission

To empower businesses and individuals through innovative technology solutions that drive growth, efficiency, and positive change in the digital age.

Our Vision

To be the world's most trusted and innovative technology partner, transforming industries and improving lives through cutting-edge solutions and exceptional service.

Core Values

- **Innovation:** We constantly push boundaries and embrace new ideas to stay at the forefront of technology. We encourage creative thinking and support calculated risk-taking.

- **Integrity:** We conduct business with honesty, transparency, and ethical practices. Trust is the foundation of all our relationships.
- **Collaboration:** We believe in the power of teamwork. We work together across departments and locations to achieve our common goals.
- **Excellence:** We strive for excellence in everything we do, from product development to customer service.
- **Customer Focus:** Our customers are at the heart of our business. We are committed to understanding and exceeding their expectations.

Company History

Founded in 2010, TechCorp began as a small startup with a big vision: to revolutionize how businesses leverage technology. What started as a team of five passionate engineers has grown into a global organization with over 5,000 employees across 20 countries.

Over the years, we have expanded our offerings from cloud infrastructure solutions to include artificial intelligence, cybersecurity, data analytics, and software development services. Our commitment to innovation and customer satisfaction has earned us numerous industry awards and the trust of Fortune 500 companies worldwide.

3. Employment Policies

Equal Employment Opportunity

TechCorp is an equal opportunity employer. We are committed to creating a diverse and inclusive workplace where all employees are treated with respect and dignity. We do not discriminate on the basis of race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, veteran status, or any other characteristic protected by law.

This policy applies to all aspects of employment, including recruitment, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training. We believe that diversity drives innovation and makes us a stronger, more competitive organization.

At-Will Employment

Employment at TechCorp is at-will, meaning that either you or the company may terminate the employment relationship at any time, with or without cause or notice. Nothing in this

handbook or any other company document should be interpreted as creating an employment contract or guarantee of continued employment.

Background Checks

All offers of employment are contingent upon successful completion of a background check, which may include verification of employment history, education, criminal records, and references. The scope of the background check will be appropriate for the position and comply with applicable laws.

Employment Classifications

TechCorp classifies employees as follows:

- **Full-Time Employees:** Work a minimum of 40 hours per week and are eligible for all company benefits.
 - **Part-Time Employees:** Work less than 40 hours per week and may be eligible for certain benefits on a pro-rated basis.
 - **Exempt Employees:** Salaried employees who are exempt from overtime pay requirements under applicable law.
 - **Non-Exempt Employees:** Employees who are eligible for overtime pay for hours worked over 40 in a workweek.
-

4. Vacation and Time Off Policies

Paid Time Off (PTO)

At TechCorp, we believe in the importance of work-life balance and understand that time away from work is essential for rest, rejuvenation, and personal pursuits. Our Paid Time Off (PTO) policy provides employees with flexibility to use their time off as needed for vacation, personal matters, or other reasons.

PTO Accrual

Years of Service	Annual PTO Days	Accrual per Pay Period
------------------	-----------------	------------------------

0-3 years	15 days	5.77 hours
3+ years	20 days	7.69 hours

PTO Guidelines

- PTO begins accruing on your first day of employment
- Employees may carry over up to 5 unused PTO days to the following calendar year
- PTO requests should be submitted at least two weeks in advance when possible
- Manager approval is required for all PTO requests
- Unused PTO will be paid out upon termination of employment in accordance with state law

Company Holidays

TechCorp observes the following paid holidays each year:

- New Year's Day
- Martin Luther King Jr. Day
- Presidents' Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve
- Christmas Day

Sick Leave

In addition to PTO, employees accrue sick leave at a rate of 1 hour for every 30 hours worked, up to a maximum of 40 hours per year. Sick leave may be used for:

- Your own illness, injury, or medical appointment
- Caring for a family member who is ill or injured
- Preventive medical care

Parental Leave

TechCorp supports new parents with comprehensive parental leave benefits:

- **Birth mothers:** 16 weeks of fully paid leave
- **Non-birth parents:** 8 weeks of fully paid leave
- Adoptive and foster parents are eligible for the same benefits as non-birth parents
- Leave must be taken within 12 months of the child's birth or placement

5. Remote Work Policy

TechCorp embraces flexible work arrangements and recognizes that remote work can enhance productivity, employee satisfaction, and work-life balance. Our hybrid work model allows eligible employees to work remotely up to three days per week while maintaining strong collaboration and team cohesion.

Hybrid Work Schedule

- **Remote work allowance:** Eligible employees may work remotely up to 3 days per week
- **In-office requirement:** Employees are expected to work from the office at least 2 days per week
- **Team collaboration days:** Teams may designate specific days for in-person

collaboration • **Flexibility:** Remote work schedules should be coordinated with your manager and team

Eligibility

Remote work eligibility is determined based on:

- Job responsibilities and role requirements
- Performance history and ability to work independently
- Successful completion of the probationary period (typically 90 days)
- Manager approval

Remote Work Expectations

- **Availability:** Maintain regular business hours and be responsive to communications during your scheduled work time
- **Workspace:** Establish a dedicated, quiet workspace conducive to productivity
- **Technology:** Ensure reliable internet connectivity and maintain company-provided equipment
- **Security:** Follow all data security and confidentiality protocols when working remotely
- **Communication:** Stay connected with your team through virtual meetings, chat, and email
- **Productivity:** Meet all performance expectations and deliverables regardless of work location

Equipment and Support

TechCorp provides the necessary equipment for remote work, including:

- Company laptop and peripherals
- Access to collaboration and communication tools
- VPN and security software
- IT support for technical issues
- Stipend for home office setup (up to \$500 per year)

Note: Remote work is a privilege, not a right. The company reserves the right to modify or discontinue remote work arrangements based on business needs or individual performance.

6. Dress Code

TechCorp maintains a casual dress code that reflects our innovative and collaborative culture. We believe that employees should be comfortable and able to express their personal style while maintaining a professional appearance appropriate for our workplace and client interactions.

General Guidelines

• **Casual attire:** Jeans, khakis, casual pants, shorts (appropriate length), skirts, and casual dresses are acceptable • **Tops:** T-shirts, polo shirts, blouses, sweaters, and company-branded apparel are welcome • **Footwear:** Sneakers, sandals, flats, and other comfortable footwear are appropriate • **Cleanliness:** All clothing should be clean, in good condition, and free from offensive messages or images

What to Avoid

While we embrace casual dress, please refrain from wearing:

• Clothing with offensive, discriminatory, or inappropriate messages • Excessively revealing or torn clothing • Athletic wear such as gym clothes or sweatpants (unless it's Fitness Friday) • Beach attire, including flip-flops (unless it's summer casual Friday)

Client Meetings and Special Events

When attending client meetings, conferences, or company events, business casual or business professional attire may be required. Your manager will communicate dress expectations for these occasions. Business casual typically includes:

• Dress pants or khakis • Button-down shirts, blouses, or sweaters • Closed-toe shoes • Optional: blazers, ties, or professional dresses

Casual Fridays and Special Days

TechCorp occasionally celebrates theme days such as:

• **Fitness Friday:** Wear athletic attire to promote wellness • **Logo Pride:** Wear your favorite sports team gear • **Holiday celebrations:** Festive attire appropriate to the occasion

Use your best judgment and remember that your appearance represents not only you but also TechCorp. If you have questions about appropriate attire, please consult with your manager or HR.

7. Code of Conduct

TechCorp is committed to maintaining the highest standards of business ethics and personal conduct. This Code of Conduct outlines the expectations for all employees and serves as a guide for decision-making in our daily work.

Professional Behavior

• Treat all colleagues, clients, and business partners with respect, courtesy, and professionalism • Communicate honestly and transparently in all business dealings •

Maintain confidentiality of proprietary and sensitive information • Avoid conflicts of interest and disclose potential conflicts to management • Comply with all applicable laws, regulations, and company policies

Workplace Harassment and Discrimination

TechCorp has zero tolerance for harassment, discrimination, or retaliation of any kind. We are committed to providing a workplace free from:

- Sexual harassment or unwelcome sexual advances • Discrimination based on protected characteristics • Bullying, intimidation, or threatening behavior • Verbal or physical abuse • Retaliation against those who report violations

Any employee who believes they have experienced or witnessed harassment or discrimination should immediately report it to their manager, Human Resources, or through our anonymous ethics hotline.

Data Security and Privacy

- Protect company data, customer information, and intellectual property • Use strong passwords and never share login credentials • Report security incidents or suspicious activity immediately • Follow company data classification and handling procedures • Comply with all privacy laws and regulations (GDPR, CCPA, etc.)

Use of Company Resources

Company resources, including computers, email, internet access, and office supplies, should be used primarily for business purposes. Limited personal use is permitted as long as it:

- Does not interfere with work responsibilities • Does not violate company policies or laws • Does not compromise security or consume excessive resources

Social Media Guidelines

When using social media, whether for personal or professional purposes:

- Do not disclose confidential company information • Make it clear that your views are your own and not those of TechCorp • Be respectful and professional in all communications • Obtain approval before posting on behalf of the company

Substance Abuse Policy

TechCorp is committed to maintaining a safe, healthy, and productive work environment. The use, possession, or being under the influence of illegal drugs or alcohol during work

hours or on company premises is strictly prohibited. Employees taking prescription medications that may impair job performance should notify their supervisor.

Reporting Violations

Employees who become aware of violations of this Code of Conduct or other company policies have a responsibility to report them. Reports can be made to:

- Your direct manager
- Human Resources department
- Ethics hotline: 1-800-ETHICS-1 (available 24/7, anonymous reporting available)
- Online portal: ethics.techcorp.com

TechCorp prohibits retaliation against anyone who reports concerns in good faith. All reports will be investigated promptly and confidentially.

For detailed information about any of these benefits, including plan documents, costs, and enrollment procedures, please contact the Human Resources department or visit our benefits portal at benefits.techcorp.com.

9. Performance Management and Career Development

At TechCorp, we believe in continuous growth and development. Our performance management system is designed to support your professional journey, provide regular feedback, and align your individual goals with company objectives.

Performance Reviews

• **Annual Performance Review:** Comprehensive evaluation conducted each year • **Mid-Year Check-In:** Progress review and goal adjustment halfway through the year • **Quarterly One-on-Ones:** Regular meetings with your manager to discuss performance, challenges, and opportunities • **360-Degree Feedback:** Input from peers, direct reports, and managers (for eligible positions)

Goal Setting

We use the OKR (Objectives and Key Results) framework to set and track goals. You'll work with your manager to establish:

• Individual objectives aligned with team and company goals • Measurable key results to track progress • Development goals for skill enhancement and career growth

Career Pathways

TechCorp supports both technical and leadership career tracks. We provide clear career ladders that outline the competencies, responsibilities, and expectations for each level within your role family. Your manager will work with you to identify your career aspirations and create a development plan to help you achieve them.

Internal Mobility

We encourage employees to explore new opportunities within TechCorp. Our internal job posting system allows you to apply for open positions across the company. Employees are

eligible to apply for internal transfers after completing one year in their current role (or six months with manager approval).

10. Workplace Safety and Security

The safety and security of our employees is a top priority at TechCorp. We are committed to maintaining a safe work environment and expect all employees to follow safety protocols and report any concerns.

General Safety

- Report all accidents, injuries, or unsafe conditions immediately to your supervisor and facilities team
- Keep work areas clean and free from hazards
- Use ergonomic equipment properly to prevent repetitive strain injuries
- Participate in safety training and emergency drills

Building Security

- Badge access required for all office locations
- Visitors must be signed in and escorted at all times
- Report lost or stolen badges immediately
- Security cameras are in operation for safety purposes

Emergency Procedures

In case of emergency:

1. Call 911 for life-threatening emergencies
2. Alert nearby colleagues and evacuate if necessary
3. Proceed to designated assembly areas during evacuations
4. Account for all team members at assembly point
5. Do not re-enter building until authorized by emergency personnel

Emergency contact numbers and evacuation maps are posted throughout each office location. Please familiarize yourself with emergency exits and procedures for your work location.

11. Communication and Technology

Communication Tools

TechCorp provides various communication platforms to facilitate collaboration:

• **Email:** Primary tool for formal communications and external correspondence • **Slack:** Real-time messaging for team collaboration and quick questions • **Zoom:** Video conferencing for meetings and presentations • **Confluence:** Knowledge base and documentation • **Jira:** Project management and issue tracking

Email Etiquette

Technology Equipment

All employees receive the technology equipment needed to perform their job, including a laptop, monitor, keyboard, mouse, and headset. Additional equipment requests can be submitted through the IT department. You are responsible for the care and security of company-issued equipment and should report any loss, theft, or damage immediately.

12. Diversity, Equity, and Inclusion

TechCorp is committed to fostering a diverse, equitable, and inclusive workplace where every employee feels valued, respected, and empowered to contribute their unique perspectives and talents. We believe that diversity drives innovation and makes us a stronger organization.

Our Commitment

• Build diverse teams that reflect the communities we serve • Ensure equitable access to opportunities, resources, and advancement • Create an inclusive culture where everyone belongs and can thrive • Hold ourselves accountable through measurable goals and transparent reporting

Employee Resource Groups (ERGs)

We support employee-led groups that celebrate diversity and provide community, including:

- Women in Tech • LGBTQ+ Alliance • Black Professionals Network • Asian Pacific Islander Coalition • Veterans Network • Accessibility and Disability Advocacy

Training and Education

All employees participate in diversity and inclusion training, including unconscious bias awareness, cultural competency, and inclusive leadership. We provide ongoing learning opportunities to deepen understanding and foster allyship.

13. Additional Policies

Expense Reimbursement

Employees may incur business expenses in the course of their work. To be reimbursed, expenses must be reasonable, necessary, and properly documented. Submit expense reports with receipts through our expense management system within 30 days of the expense. Pre-approval is required for expenses over \$500.

Intellectual Property

All work products, inventions, and intellectual property created by employees in the course of their employment belong to TechCorp. This includes but is not limited to software code, designs, documentation, and business processes. Employees must promptly disclose any inventions or creations to the company.

Confidentiality and Non-Disclosure

Employees have access to confidential information including trade secrets, customer data, financial information, and proprietary technology. You are required to maintain strict confidentiality during and after employment. Do not discuss confidential matters in public places or with unauthorized individuals.

Outside Employment

Employees may engage in outside employment or business activities provided they do not interfere with job performance, create a conflict of interest, or compete with TechCorp's business. Any outside employment must be disclosed to and approved by your manager.

Workplace Visitors

Visitors, including family members and friends, must check in at reception and be escorted by an employee while on premises. Children may visit occasionally but should not disrupt the work environment. Long-term visitors or those accessing confidential areas require prior approval.

14. Separation of Employment

Resignation

If you decide to leave TechCorp, we ask that you provide at least two weeks' written notice to allow time for transition. Managers and senior-level employees are requested to provide four weeks' notice when possible. Your notice should be submitted to your direct supervisor and copied to Human Resources.

Exit Process

During your final days, you will:

- Complete knowledge transfer and transition documentation
- Participate in an exit interview (optional but encouraged)
- Return all company property including laptop, badge, keys, and any other equipment
- Delete all company data from personal devices

Final Paycheck

Your final paycheck will include payment for all hours worked through your last day, accrued but unused PTO (where applicable by state law), and any other outstanding compensation. The final paycheck will be processed according to your state's requirements.

Benefits Continuation

Information about continuing health insurance coverage through COBRA will be provided by Human Resources. You'll have 60 days from your termination date to elect COBRA continuation coverage.

15. Handbook Acknowledgment

This employee handbook provides important information about TechCorp's policies, benefits, and expectations. Please note the following:
