1. Welcome Message

Welcome to Our Company!

We're thrilled to have you join our team! Starting a new job can be both exciting and overwhelming, so we've created this comprehensive onboarding guide to help you navigate your first weeks and months with us.

This guide will walk you through everything you need to know to get started, from your first day logistics to your goals for the first 90 days. We're committed to setting you up for success and helping you integrate smoothly into our team and culture.

Our Mission and Values

Mission: [Your company mission statement]

Core Values:

- **Integrity:** We act with honesty and transparency in everything we do
- **Innovation:** We embrace creativity and continuously seek better solutions

- **Collaboration:** We work together to achieve shared goals
- **Excellence:** We strive for the highest quality in our work
- **Customer Focus:** We prioritize our customers' needs and success
- **Growth Mindset:** We believe in continuous learning and development

What to Expect

Your first 90 days are designed to help you learn, integrate, and begin contributing to our team. You'll have support from your manager, mentor, HR team, and colleagues throughout this journey. Don't hesitate to ask questions—we're all here to help you succeed!

2. First Day Checklist

Before You Arrive

Complete These Tasks:

- ☐ Confirm your start date and arrival time with HR
- ☐ Review and complete all pre-employment paperwork (if not already done)
- ☐ Submit required documents (I-9 verification, direct deposit form, tax forms)
- ☐ Review company handbook and code of conduct
- ☐ Plan your commute and parking arrangements
- ☐ Prepare questions you'd like to ask on your first day

What to Bring:

- ☐ Valid government-issued photo ID
- ☐ Completed paperwork (if any remains)
- ☐ Notebook and pen for note-taking
- ☐ Lunch or money for lunch (or check if lunch is provided)
- ☐ Positive attitude and enthusiasm!

First Day Arrival

Morning (8:00 AM - 12:00 PM)

8:00 AM - Arrive and Check In

- ☐ Arrive 10-15 minutes early
- ☐ Check in at reception
- ☐ Meet with HR representative
- ☐ Receive temporary badge/access card
- ☐ Complete any remaining paperwork

8:30 AM - Welcome and Orientation

- ☐ Office tour and facilities overview
- ☐ Review emergency procedures and exits
- ☐ Locate restrooms, break rooms, and common areas
- ☐ Receive parking pass or transit information
- ☐ Learn building access and security procedures

9:30 AM - Workstation Setup

- ☐ Get escorted to your workspace
- ☐ Receive equipment (laptop, phone, accessories)
- ☐ Set up desk and organize workspace
- ☐ Test equipment and connectivity
- ☐ Review IT policies and acceptable use guidelines

10:30 AM - IT and Systems Access

- ☐ Receive login credentials for company systems
- ☐ Set up email account and test sending/receiving
- ☐ Configure calendar and set up initial meetings
- ☐ Access employee portal and review available resources
- ☐ Set up voicemail and phone system
- ☐ Join company communication channels (Slack, Teams, etc.)

11:30 AM - Benefits Overview

- ☐ Review health insurance options and enrollment deadlines

- ☐ Discuss retirement plan (401k) and company match
- ☐ Learn about PTO policy and how to request time off
- ☐ Review additional benefits (life insurance, disability, wellness programs)
- ☐ Receive benefits enrollment materials and deadlines

Afternoon (12:00 PM - 5:00 PM)

12:00 PM - Lunch Break

- ☐ Lunch with your manager or team members
- ☐ Learn about lunch options and local restaurants
- ☐ Begin getting to know your colleagues informally

1:00 PM - Meet Your Manager

- ☐ One-on-one meeting with direct manager
- ☐ Discuss role expectations and key responsibilities
- ☐ Review initial projects and priorities
- ☐ Establish communication preferences and check-in schedule
- ☐ Receive copy of 30-60-90 day plan
- ☐ Schedule regular one-on-one meetings

2:00 PM - Team Introductions

- ☐ Meet immediate team members
- ☐ Understand team structure and reporting relationships
- ☐ Learn about current team projects and initiatives
- ☐ Get added to team meetings and recurring events
- ☐ Receive team contact list and organization chart

3:00 PM - Department Overview

- ☐ Meet with department head or senior leader
- ☐ Learn about department goals and priorities
- ☐ Understand how your role fits into department objectives

- ☐ Ask questions about department culture and processes

4:00 PM - First Day Wrap-Up

- ☐ Review action items and next steps
- ☐ Schedule key meetings for the upcoming week
- ☐ Confirm schedule for tomorrow and rest of the week
- ☐ Connect with your assigned mentor or buddy
- ☐ Complete first day feedback survey
- ☐ Log out of all systems properly

End of Day Checklist:

- ☐ Secure your workspace and equipment
 - ☐ Return any temporary access cards if needed
 - ☐ Know your schedule for tomorrow
 - ☐ Have contact information for questions
 - ☐ Take a deep breath—you made it through day one!
-

3. Equipment Setup

Standard Equipment Package

Every new employee receives the following equipment. Your specific package may vary based on role and department.

Computer Equipment:

- ☐ Laptop (MacBook Pro or Dell XPS based on role)
- ☐ Laptop charger and power adapter
- ☐ Laptop sleeve or carrying case
- ☐ External monitor (21-27 inch, depending on role)
- ☐ Monitor stand or adjustable arm
- ☐ Docking station (if applicable)

- ☐ USB-C hub or adapter
- ☐ Wireless mouse
- ☐ Wireless keyboard
- ☐ Webcam (if not built into laptop)
- ☐ Noise-canceling headphones or earbuds
- ☐ Phone headset (for roles requiring extensive calls)

Mobile Devices:

- ☐ Company mobile phone (if role requires)
- ☐ Phone charger and accessories
- ☐ Mobile device management (MDM) enrollment

Office Supplies:

- ☐ Desk organizer
- ☐ Notebook and notepad
- ☐ Pens, pencils, highlighters
- ☐ Sticky notes
- ☐ Stapler, tape dispenser, scissors
- ☐ Business card holder
- ☐ Name plate or desk sign

Ergonomic Equipment:

- ☐ Ergonomic desk chair
- ☐ Keyboard wrist rest
- ☐ Mouse pad with wrist support
- ☐ Footrest (upon request)
- ☐ Standing desk converter (upon request)
- ☐ Monitor light or desk lamp

Equipment Setup Instructions

Day 1 - Initial Setup:

1. **Unbox and Inventory:** Check all equipment against the provided inventory list. Report any missing or damaged items to IT immediately.

2. **Laptop Configuration:**

- Power on your laptop
- Connect to company WiFi network (credentials provided by IT)
- Complete initial system setup with IT support
- Install required security software and VPN
- Set up fingerprint or facial recognition if available
- Create strong passwords following company policy

3. **Monitor and Peripherals:**

- Connect external monitor to laptop via docking station or cable
- Adjust monitor height to eye level for ergonomics
- Pair wireless mouse and keyboard via Bluetooth
- Test all connections and adjust settings

4. **Phone Setup:**

- Activate desk phone or VoIP system
- Record personalized voicemail greeting
- Test making and receiving calls
- Configure call forwarding rules if needed
- Add important contact numbers

5. **Workspace Organization:**

- Arrange desk for optimal ergonomics
- Organize cables to minimize clutter
- Set up dual monitor display settings
- Adjust chair height and lumbar support

- Position keyboard and mouse properly

Equipment Care and Policies

Maintenance and Care:

- Keep all equipment clean and in good working condition
- Use protective cases when transporting laptops
- Report any technical issues to IT helpdesk immediately
- Back up important work regularly to company cloud storage
- Update software and security patches as prompted

Security Requirements:

- Never leave equipment unattended in public places
- Lock your computer when stepping away from desk
- Use strong, unique passwords for all accounts
- Enable two-factor authentication where available
- Encrypt sensitive data according to company policy
- Report lost or stolen equipment immediately

Remote Work Equipment:

- Same security standards apply at home
- Ensure proper internet connectivity
- Create dedicated workspace if possible
- Follow remote work policy guidelines
- Return all equipment upon separation

Equipment Return:

- All company equipment must be returned upon termination
- Equipment should be returned in good working condition
- IT will provide return instructions and shipping labels if needed
- Failure to return equipment may result in deductions from final paycheck

4. Tool Access and Accounts

Core Systems Access

You'll need access to various systems and tools to perform your job. IT will provision most accounts automatically, but some require manual requests.

Email and Communication:

- **[] Corporate Email** (Microsoft 365 or Google Workspace)
 - Login: firstname.lastname@company.com
 - Access: Automatically provisioned on Day 1
 - Setup: Configure on laptop and mobile device
 - Training: Basic training provided by IT
- **[] Slack/Microsoft Teams** (Internal Communication)
 - Login: Use corporate email credentials
 - Access: Provisioned on Day 1
 - Setup: Download desktop and mobile apps
 - Channels: Your manager will add you to relevant channels
- **[] Zoom/Video Conferencing**
 - Login: Use corporate email credentials
 - Access: Provisioned within 24 hours
 - Setup: Install desktop client, test audio/video
 - Training: Basic usage guide available in knowledge base

Productivity Tools:

- **[] Google Workspace/Microsoft 365**
 - Includes: Docs, Sheets, Slides, Drive/OneDrive, Calendar
 - Access: Day 1
 - Storage: Unlimited cloud storage

- Training: Self-service tutorials available
- **[] Project Management** (Asana, Monday.com, Jira)
 - Access: Request from manager by end of Week 1
 - Setup: Join team workspace and boards
 - Training: Team-specific training in Week 2
- **[] Time Tracking** (if applicable)
 - Access: HR will provision
 - Setup: Mobile and desktop apps
 - Training: Required for hourly employees

HR and Administrative:

- **[] HRIS/Employee Portal** (Workday, BambooHR, etc.)
 - Login: Set up during Day 1 orientation
 - Use For: Pay stubs, benefits, PTO requests, documents
 - Access: Available 24/7 via web and mobile
 - Training: HR will provide walkthrough
- **[] Expense Management** (Expensify, Concur)
 - Access: If role requires travel
 - Setup: Download app and link corporate card
 - Training: Finance will provide training
 - Policy: Review expense policy in handbook
- **[] Learning Management System** (LMS)
 - Access: Provisioned in Week 1
 - Use For: Required training courses, professional development
 - Required: Complete mandatory training in first 30 days

Department-Specific Tools:

The following vary by role and will be provisioned by your manager:

- [] **CRM System** (Salesforce, HubSpot) - Sales/Marketing
- [] **Development Tools** (GitHub, GitLab, AWS) - Engineering
- [] **Design Tools** (Figma, Adobe Creative Cloud) - Design
- [] **Analytics** (Tableau, Looker, Google Analytics) - Data/Analytics
- [] **Customer Support** (Zendesk, Intercom) - Support/Success
- [] **Accounting Software** (QuickBooks, NetSuite) - Finance

Account Setup Timeline

Day 1:

- Corporate email
- Slack/Teams
- HRIS portal
- Calendar
- Basic productivity tools

Week 1:

- Department-specific tools
- Project management software
- Shared drives and folders
- Video conferencing
- Learning management system

Week 2:

- Specialized software based on role
- External vendor access (if needed)
- Customer/client systems (if applicable)

Password and Security Guidelines

Password Requirements:

- Minimum 12 characters

- Mix of uppercase, lowercase, numbers, symbols
- No personal information (names, birthdays)
- Unique password for each system
- Change every 90 days or as required
- Never share passwords with anyone

Two-Factor Authentication (2FA):

- Required for all corporate systems
- Use authenticator app (Google Authenticator, Authy)
- Backup codes stored securely
- Keep recovery phone number updated

VPN Access:

- Required for remote work
- Auto-connects for security
- Use whenever accessing company resources outside office
- IT will provide setup instructions

Getting Help with Access**IT Helpdesk:**

- Email: helpdesk@company.com
- Phone: (555) 123-4567
- Hours: Monday-Friday, 8 AM - 6 PM
- Average Response Time: 2 hours for access issues

Self-Service Portal:

- Password resets: portal.company.com/reset
 - Knowledge base: kb.company.com
 - Submit tickets online for non-urgent issues
-

5. Team Introductions

Your Immediate Team

Your manager will facilitate introductions to your immediate team during your first week. Here's how team introductions typically work:

Day 1 - Core Team:

- Meet your direct manager
- Introduction to team members you'll work with daily
- Overview of team structure and roles
- Add team members on Slack/Teams
- Get added to team calendar and recurring meetings

Week 1 - Extended Team:

- Meet cross-functional partners
- Introduction to department leadership
- Connect with your mentor or buddy
- Meet colleagues in related teams
- Join team social channels

Team Meeting Schedule

You'll be added to the following recurring meetings:

Daily/Weekly Team Meetings:

- Daily standup (if applicable): 15 minutes each morning
- Weekly team meeting: 1 hour for updates and planning
- Weekly one-on-one with manager: 30-60 minutes
- Bi-weekly team retrospective: 1 hour

Department and Company Meetings:

- Monthly department all-hands: 1 hour
- Quarterly company all-hands: 1-2 hours

- Team social events: Monthly (optional but encouraged)

Key Contacts and Roles

Your Direct Manager: [Name]

- Email: [email]
- Role: [Title]
- Responsibilities: Day-to-day guidance, performance management, career development
- Meeting Schedule: Weekly one-on-ones, ad-hoc as needed

Your Mentor/Buddy: [Assigned in Week 1]

- Purpose: Answer questions, provide cultural guidance, be a friendly face
- Meeting Schedule: Informal check-ins, coffee chats, lunch
- Duration: First 90 days with option to continue

HR Business Partner: [Name]

- Email: [email]
- Role: HR support for your department
- Contact For: Benefits questions, workplace issues, policy clarification

IT Support Contact: [Name/Team]

- Email: helpdesk@company.com
- Contact For: Technical issues, access problems, equipment needs

Facilities/Office Manager: [Name]

- Email: [email]
- Contact For: Office supplies, workspace issues, building access

Team Communication Norms

Response Time Expectations:

- Slack/Teams messages: Within 2 hours during business hours
- Email: Within 24 hours for non-urgent matters

- Urgent issues: Call or text if after hours

Communication Preferences:

- Urgent: Phone call or Slack direct message
- Important: Email with clear subject line
- Questions: Slack in appropriate channel
- Status updates: Project management tool
- Casual: Team social channels

Meeting Etiquette:

- Default to video on for team meetings
- Mute when not speaking in large meetings
- Be on time; notify if running late
- Come prepared with updates or questions
- Participate actively and ask questions

Cross-Functional Partners

You'll work with colleagues from various departments. Key teams include:

Product Team:

- Collaboration on features and roadmap
- Weekly sync meetings as needed
- Primary contact: [Name]

Engineering Team:

- Technical implementation and support
- Ad-hoc collaboration on projects
- Primary contact: [Name]

Marketing Team:

- Campaign support and content collaboration
- Monthly planning meetings

- Primary contact: [Name]

Sales Team:

- Customer insights and feedback
- Bi-weekly sync meetings
- Primary contact: [Name]

Customer Success:

- Customer feedback and feature requests
- Weekly triage meetings
- Primary contact: [Name]

Building Relationships**Tips for Success:**

- Schedule informal coffee chats with team members
- Attend team social events and company activities
- Ask questions—everyone wants to help you succeed
- Be open about your background and interests
- Listen actively and take notes during conversations
- Follow up on commitments and action items
- Respect different working styles and time zones

Mentorship Program:

- You'll be assigned a mentor within your first week
- Mentors are volunteers from across the company
- Meet at least twice a month for first 90 days
- Use mentor for cultural questions, career advice, and networking
- Formal program lasts 6 months with option to continue informally

6. 30-60-90 Day Plan

Your first 90 days are structured to help you learn, contribute, and integrate into the team. This plan provides a roadmap, but your manager will customize it to your specific role.

Days 1-30: Learn and Observe

Primary Goals:

- Understand company culture, values, and mission
- Learn about products, services, and customers
- Build relationships with team members
- Complete all required training and onboarding tasks
- Begin contributing to low-complexity projects

Week 1: Orientation and Setup

Learning Objectives:

- ☐ Complete HR orientation and paperwork
- ☐ Set up all equipment and system access
- ☐ Meet immediate team and key stakeholders
- ☐ Understand team structure and communication norms
- ☐ Review role expectations with manager
- ☐ Learn about company products and services
- ☐ Complete information security training

Deliverables:

- ☐ All equipment configured and working
- ☐ Access to all necessary systems
- ☐ One-on-one meetings scheduled with team
- ☐ Initial questions list prepared for manager

Meetings and Training:

- Day 1: HR orientation, IT setup, manager one-on-one
- Day 2: Team introduction, department overview

- Day 3: Product training, system walkthroughs
- Day 4: Shadow team members, observe workflows
- Day 5: Week 1 recap with manager, set Week 2 goals

Week 2: Deep Dive Learning

Learning Objectives:

- ☐ Deep dive into your specific role and responsibilities
- ☐ Understand key processes and workflows
- ☐ Review past projects and case studies
- ☐ Learn about customers and user personas
- ☐ Study industry and competitive landscape
- ☐ Begin contributing to team discussions
- ☐ Complete product/service training modules

Deliverables:

- ☐ Notes from customer/product research
- ☐ Questions document for ongoing learning
- ☐ First contribution to team meeting or project
- ☐ Completed required training modules

Meetings and Training:

- Customer/product deep dive sessions
- Process and workflow training
- Shadow customer-facing team members
- Attend customer calls or demos (observe only)
- One-on-one with cross-functional partners

Week 3-4: Initial Contributions

Learning Objectives:

- ☐ Take ownership of small, well-defined tasks

- ☐ Understand how your work impacts team goals
- ☐ Learn internal tools and processes hands-on
- ☐ Identify areas where you need additional training
- ☐ Build relationships across the organization
- ☐ Understand performance expectations

Deliverables:

- ☐ Complete 2-3 small projects or tasks
- ☐ Contribute actively in team meetings
- ☐ Submit first piece of work for review
- ☐ 30-day check-in document with reflections and questions

Meetings and Training:

- Mid-month one-on-one with manager
- Coffee chats with 5-7 team members
- Attend all relevant team meetings actively
- 30-day check-in meeting with manager and HR

30-Day Checkpoint:

Self-Assessment Questions:

- Do I understand what success looks like in my role?
- Have I built relationships with my immediate team?
- Do I have the tools and access I need to do my job?
- What am I most excited about?
- What areas do I need more support or training in?
- What questions do I still have?

Manager Assessment:

- Is the employee engaging positively with the team?
- Are they asking thoughtful questions?

- Do they understand basic role expectations?
- What support do they need for the next 30 days?

Days 31-60: Contribute and Develop

Primary Goals:

- Take ownership of moderate-complexity projects
- Demonstrate understanding of role and processes
- Build deeper expertise in your functional area
- Identify improvement opportunities
- Develop stronger cross-functional relationships
- Increase independence and autonomy

Week 5-6: Increasing Ownership

Learning Objectives:

- ☐ Lead small projects from start to finish
- ☐ Demonstrate proficiency with key tools and systems
- ☐ Provide input on team decisions and strategy
- ☐ Identify inefficiencies or improvement areas
- ☐ Deepen customer understanding
- ☐ Begin building subject matter expertise

Deliverables:

- ☐ Complete 1-2 projects independently
- ☐ Present work to team or stakeholders
- ☐ Document learnings or create process documentation
- ☐ Contribute ideas in team brainstorm

Focus Areas:

- Quality of work output
- Speed and efficiency improvements

- Proactive communication
- Problem-solving independently

Week 7-8: Expanding Impact

Learning Objectives:

- ☐ Take on projects with broader scope or impact
- ☐ Collaborate effectively across teams
- ☐ Apply feedback to improve work quality
- ☐ Develop deeper technical or functional skills
- ☐ Mentor newer employees if applicable
- ☐ Contribute to team goals and OKRs

Deliverables:

- ☐ Deliver project with measurable business impact
- ☐ Lead or co-lead team initiative
- ☐ Provide feedback on processes or tools
- ☐ Create resource or documentation to help team

Focus Areas:

- Cross-functional collaboration
- Impact on team objectives
- Initiative and proactivity
- Quality and attention to detail

60-Day Checkpoint:

Self-Assessment Questions:

- Am I meeting performance expectations?
- Do I feel confident in my core responsibilities?
- How am I contributing to team goals?
- What are my strengths in this role?

- Where do I want to develop further?
- Am I building the right relationships?

Manager Assessment:

- Is the employee performing at expected level?
- Are they demonstrating role competencies?
- How are they working with cross-functional partners?
- What development areas should we focus on?
- Are they on track for successful completion of 90 days?

Days 61-90: Own and Excel

Primary Goals:

- Perform core role responsibilities independently
- Drive projects with minimal supervision
- Identify and pursue growth opportunities
- Begin thinking strategically about work
- Contribute to team planning and strategy
- Set foundation for long-term success

Week 9-10: Full Ownership

Learning Objectives:

- ☐ Operate independently in core responsibilities
- ☐ Drive projects requiring limited guidance
- ☐ Proactively identify and solve problems
- ☐ Contribute strategic thinking to team discussions
- ☐ Begin specializing in area of interest
- ☐ Support other team members

Deliverables:

- ☐ Successfully complete significant project

- ☐ Demonstrate consistent quality and reliability
- ☐ Propose process improvement or new idea
- ☐ Help onboard or train another team member

Focus Areas:

- Strategic thinking
- Leadership and influence
- Innovation and continuous improvement
- Building team capabilities

Week 11-12: Setting Up Future Success

Learning Objectives:

- ☐ Reflect on first 90 days and learnings
- ☐ Identify career development goals
- ☐ Establish performance goals for next quarter
- ☐ Build plan for continued growth
- ☐ Strengthen key relationships
- ☐ Position yourself for increasing responsibility

Deliverables:

- ☐ 90-day reflection and self-assessment
- ☐ Goals and development plan for next 90 days
- ☐ Feedback for onboarding program
- ☐ Documented wins and learnings

Focus Areas:

- Self-awareness and reflection
- Goal-setting and planning
- Relationship building
- Continuous learning mindset

90-Day Review:

Formal Performance Review:

- Comprehensive review meeting with manager
- Assessment against role expectations and competencies
- Discussion of strengths and development areas
- Goal setting for next quarter and beyond
- Career development planning
- Compensation review (if applicable)
- Decision on successful completion of onboarding period

Review Components:

- Manager evaluation and feedback
- Self-assessment
- Peer feedback (360 review)
- Review of completed projects and deliverables
- Discussion of cultural fit and values alignment
- Development plan for next 6-12 months

7. Resources and Support

Key Resources

Company Handbook:

- Location: Employee portal or [URL]
- Contains: Policies, procedures, benefits, code of conduct
- Review: First week of employment
- Updates: Check quarterly for changes

Knowledge Base:

- Gym membership reimbursement: Up to \$50/month
- Mental health resources: Headspace/Calm subscription
- Wellness challenges: Quarterly team competitions
- Healthy snacks: Available in break rooms

- Walking meetings: Encouraged for one-on-ones

Flexible Work:

- Remote work: [X] days per week after 90 days
- Flex hours: Core hours 10 AM - 3 PM, flexible start/end
- Hybrid schedule: Coordinate with team
- Work from anywhere: [X] weeks per year with approval

Career Development**Performance Reviews:**

- Frequency: Quarterly check-ins, annual comprehensive review
- Process: Self-assessment + manager assessment + peer feedback
- Timeline: Reviews in January, April, July, October
- Outcomes: Goals, development plan, compensation adjustments

Career Pathing:

- Career conversations: Ongoing with manager
- Promotion criteria: Clear competency frameworks available
- Internal mobility: Encouraged after 12 months
- Development plans: Created collaboratively with manager

Mentorship:

- Formal program: 6-month mentorship with senior colleague
- Informal mentoring: Encouraged across all levels
- Reverse mentoring: Senior leaders learn from junior employees
- External mentors: Professional network building supported

Training Opportunities:

- Internal workshops: Monthly lunch-and-learns
- External conferences: Annual budget for industry events
- Online courses: LinkedIn Learning, Coursera subscriptions

- Certifications: Company-paid for role-relevant certifications
- Tuition reimbursement: Up to \$5,000/year for degree programs

Feedback and Questions

We Want Your Feedback:

Your onboarding experience matters. Please share feedback at:

- 1 week: Quick pulse survey
- 30 days: Detailed onboarding feedback
- 90 days: Comprehensive review and suggestions
- Ongoing: Talk to your manager or HR anytime

Questions?

Remember, there are no stupid questions! Reach out to:

- Your manager (first stop for role-specific questions)
- Your mentor/buddy (cultural and general questions)
- HR (benefits, policies, workplace issues)
- IT (technical problems)
- Colleagues (they've been where you are!)

Emergency Contacts

Emergency Numbers:
